

Gabriel Rao

A charismatic leader with experience in the nonprofit sector providing spaces that promote healthy grieving and post-traumatic growth. A man who excels in dynamic environments, whether it be an uptempo high-stress situation or a downtempo highly emotive environment and the variety of situations in between.

A proven thought leader specializing in cultivating creativity, tenets of hospitality, the power that is men's work, systematic approaches to group processes & processing, innovative models for grief support, and fostering post-traumatic growth.
